Testimonials

“Thank you again for our fabulous suppers. Your restaurant certainly stands alone as our school's favourite.” Rebecca Robinson, David Livingstone Elementary, Vancouver

“We wanted to formally send our thanks for the terrific hospitality you shared with us during our stay in Wells and Barkerville last week. The children thoroughly enjoyed the wonderful meals you provided - nobody went away hungry! It was terrific to have the children eating healthy meals during our time away.

Dave, your stories were a hit. I picked up a copy of "Wild to Riches" in Barkerville and everyone was thrilled to see you, their new hero and best friend, on the DVD! I think we all came home with a touch of "Gold Fever"! Sherry Breck, Westside Academy.

“Thanks for a great evening of mining lore and exploration. The effort, energy and expertise you share with us was very much enjoyed and appreciated. Can't say enough about how special it was to have had the opportunity to share some time with you and to be able to learn from your experience!” Jeff Abbott, Grinrod Elementary.
